### About Me

My self-Naveen Padala, I am from the background of B. Tech (IT). Recently I have done an internship in QUANTUM LEARNING IN CYBER SECURITY. That gave me a widespread knowledge on SYSTEM HANDLING, VAPT and WIFI HACKING. My actual strength is SMART WORK, punctuality and Completion of work within time. I have a desire to learn new technologies. Anyone can reach me or contact me easily. I have experience in leadership at my schools and college life and also a good follower. My hobbies are BROWSING on the internet and playing chess
